SEA DREAMS Italian designer Marco Acerbis conceived the Coral collection for Talenti Outdoor Living with an eye toward flexibility and sleek, timeless style. The Coral Sunbed, which pairs an airy aluminum frame with generous cushions, comes in Graphite (pictured) and White. The line also features a modular sofa, armchairs, tables and poufs. talentispa.com

▲ IN THE SWING Brazilian designer Patricia Anastassiadis's latest collection for Artefacto focuses on outdoor living. The series of nine new pieces includes the Balanço Seed hanging chair (pictured), which marries a hand-woven base with soft, inviting cushions. artefacto.com

EDITORS' PICKS

THE LOOK OF WOOD Made largely with recycled materials, low-maintenance TimberTech composite decking mimics the look of natural wood and resists moisture, fading, scratching and staining. The company offers an array of formats and colorways. Pictured: the TimberTech Azek Vintage Collection in English Walnut. timbertech.com

▲ **SUN SALUTATION** Perennials' new Villa del Sol outdoor fabric collection brings a resort vibe home with exotic prints and festive hues. Palmetto in Verdigris (pictured) evokes swaying palms on a pristine tropical beach. Five new rug patterns round out the line, offered at David Sutherland in DC. perennialsfabrics.com

▲ **BACKYARD BILLIARDS** Suitable for outdoor use under cover, this pool table by Los Angeles designer James De Wulf conveys a bold, modern statement. It's made of concrete reinforced with carbon fiber and features a smooth, high-performance surface layered in premium black felt. Balls and cues are included. jamesdewulf.com ■
