GREAT OUTDOORS

The best new furnishings for garden, terrace and cottage settings match durable materials with meticulous design notes.

Text by Dali Castro

◀ 1. Style does not take a back seat to practicality in the sleek, weather-resistant Manta shade umbrella. The 8.5-ft.-sq. Manta is lightweight and portable, and has an appealing octagonal shape that hints at its individuality. \$2,015. At Hauser.

▼ 2. The Le Blanc collection, by L.A. designers James de Wulf and Goga Bouquet, is a bold outdoor set—sofa, chairs and coffee table—made of exterior teak, with a low silhouette and substantial proportions. It's also elegantly simple; note that the arms and legs are of a piece. Easy chair, US\$7,400. Through SoftBl...
